Actual Notice by Pledge and Indemnity  
Demand for Execution of Public Law**

**Dear Mr. Abercrombie, GOVERNOR OF THE STATE OF HAWAII,  
and all successors thereof:**

I, Hollis Randall: Hillner, one of The People of the Hawaii state, expressly accept the oath, office, and bond of the GOVERNOR OF THE STATE OF HAWAII, and those of the derivatives of the government of the STATE OF HAWAII, and hereby grants the GOVERNOR OF THE STATE OF HAWAII and said derivatives full immunity and hold them harmless in so far as they perform their duties and obligations pursuant to the original terms and conditions of The State of Hawaii Constitution of 1950 hereinafter "The State of Hawaii Constitution", secured by their oaths. I execute and cause this Praecipe to be served on and to the GOVERNOR OF THE STATE OF HAWAII, in order to prevent liability, past, present, and future, to be created and incurred by the STATE OF HAWAII through their actions that violate the terms and conditions of "The State of Hawaii Constitution", and you will forthwith issue a Certificate of Exemption for Hollis Randall: Hillner, nunc pro tunc, with the official seal of the STATE OF HAWAII, to be served upon the derivatives there under as follows:

**Hollis Randall: Hillner**

mailing address: c/o USPS Box 562, Anahola, 96703 Hawaii  
email: [paradise@freedom.com](mailto:paradise@freedom.com) - phone: 808-821-1567

**PRAECIPE FOR CERTIFICATE OF EXEMPTION**

The STATE OF HAWAII, and any and all derivatives of the Superior, shall recognize that I, Hollis Randall: Hillner, one of The People of the Hawaii state, wherein the political power is Inherent and Superior to derivatives granted therefrom, and the express purpose of said derivatives established is to protect and maintain the rights of the Superior, the Principle, The People of the Hawaii state. This Praecipe is ratification of the open notorious general offer specifically defined in the terms and conditions of "The State of Hawaii Constitution", fully accepted in good faith for good faith performance. I have read the "The State of Hawaii Constitution" and do understand that the provisions of said Constitution are mandatory, and I expressly do not declare otherwise.

I have determined I am one of The People creating the political body politic authorizing the establishment of the government of the STATE OF HAWAII for the expressly stated purpose of protecting and maintaining the rights of The People of the Hawaii state.

I have made the legal determination that none of the powers held by the STATE OF HAWAII, and any and all derivatives of the Superior, identify me as subject to its powers, nunc pro tunc. This is because Article III authorizes no legislative act for having affect on The People who created the STATE OF HAWAII government. I hereby cancel for cause all undisclosed contracts, including but not limited to, adhesion contracts, undisclosed trusts of all types, and all undisclosed presumptions, nunc pro tunc.

Therefore, absent the GOVERNOR OF THE STATE OF HAWAII producing prior written proof with specificity and particularity, citing chapter and verse its authority and basis for not issuing the Certificate of Exemption, you, Mr. Abercrombie, the GOVERNOR OF THE STATE OF HAWAII, and any and all derivatives of the Superior, are required, under and secured by your own promise, to recognize my claim to exemption from the inferior laws, statutes and codes derived from the Superior public law and implemented and enforced by and between the derivatives in order to perform their duties and obligations of the terms and conditions of "The State of Hawaii Constitution", to serve and protect The People of the Hawaii state.

I formally serve this Praecipe on, and to, the GOVERNOR OF THE STATE OF HAWAII under your trust, and you shall forthwith issue the Certificate of Exemption to Hollis Randall: Hillner, one of The People of the Hawaii state, on your office letterhead, signed by you, with the seal of the STATE OF HAWAII affixed in due form and deliver said confirmation of exemption to all derivatives of the STATE OF HAWAII.

In support of this formal Praecipe to issue the Certificate of Exemption, I include, with the aforementioned indemnity, the pledge as sworn below and incorporated herein as if set forth in full. I hereby set out the facts showing that I am held to involuntary servitude, SLAVERY in fact and deed. The STATE OF HAWAII's operation, and by that of the derivatives there under, EIN# 99-6001081 and all EIN's there under, and the

## **PRAECIPE FOR CERTIFICATE OF EXEMPTION**

fact that the STATE OF HAWAII operates under the private money system of the FEDERAL RESERVE, shows conclusive proof that the STATE OF HAWAII, and its GOVERNOR OF THE STATE OF HAWAII, ALL OFFICES AND AGENCIES OF THE GOVERNMENT derived from the Superior, are beneficiaries from my being held to involuntary servitude to the FEDERAL RESERVE. Therefore, I formally and expressly claim exemption, and serve you this Praecipec to issue forthwith the Certificate of Exemption, or produce prior written proof with specificity and particularity, citing chapter and verse, your authority and basis for refusing to issue the Certificate of Exemption.

If you are able to show me where I may not rely on "The State of Hawaii Constitution", as evidenced by "ARTICLE I, Sec. 1. All political power in this state is inherent in The People, and the responsibility for the exercise thereof rests with the The People. All government is founded on this authority." And, "Sec. 2, All persons are free by nature and are equal in their inherent and inalienable rights. Amongst these rights are the enjoyment of life, liberty, and the pursuit of happiness, and the acquiring and possessing of property." And, "Sec. 22, The enumeration of rights and privileges shall not be construed to impair or deny others retained by The People." then you would destroy the Superior power, and, hence, the derivatives granted and established there from. I expressly cancel any undisclosed presumptions, nunc pro tunc, made and taken by the derivatives against me, and I expressly reserve the sole and exclusive right to the final determination of all definitions and intent of my statements contained herein governed by Public Law.

I do not consent to be held as bankrupt. I do not consent to be held to authorities not granted to the STATE OF HAWAII as currently administered by the STATE OF HAWAII under operation by the duties and obligations of performance by the derivatives pursuant to the terms and conditions for "The State of Hawaii Constitution". I do not consent to involuntary servitude. I do not consent to NOT being recognized as exempt by current officials operating the STATE OF HAWAII.

I demand the reservation of rights forthwith, the issuance forthwith of the Certificate of Exemption, and that said be enforced forthwith under "The State of Hawaii Constitution", secured by your oath, and those of any and all derivatives of the Superior, to serve that document and its Principals, The People of the Hawaii state.

I choose, to live in the political state where I am protected, and demand the GOVERNOR OF THE STATE OF HAWAII, and any and all derivatives of the Superior, to issue forthwith the recognition of my right to demand "The State of Hawaii Constitution" be executed truthfully, accurately and completely, and to issue an order to any and all of the derivatives to do the same.

## PRAECIPE FOR CERTIFICATE OF EXEMPTION

I expect a Certificate of Exemption with accompanying notice to all law enforcement and all other derivative agencies of the STATE OF HAWAII within ten (10) days. Otherwise, the full spectrum of the slavery cooperated by you, Mr. Abercrombie, the GOVERNOR OF THE STATE OF HAWAII, and any and all derivatives of the Superior, upon my body and political rights, will be operative fact of public record, contrary to public law.

I hereby unequivocally pledge my political will and my personal property to "The State of Hawaii Constitution", to the organic state constructed by The People of the Hawaii state, nunc pro tunc, as administered by the public trust, agent for the STATE OF HAWAII.

I am competent to testify and have standing capacity to act as to the lawful matters herein;

I am absolutely pro-government;

I am absolutely anti-corruption;

I am absolutely not public property;

I have no notice of being public property;

I am not aware of, nor party to, any process or procedure deeming me public property;

I own my own body and mind and all creations and derivatives therefrom, thereto, and therewith;

I and others of my capacity and standing are the creators of all government operating on the land of America, established, accepted, and relied upon by all the World;

I have read the Declaration of Independence 1776 whereby The People create The People's Public Trust and did assert for all the World to rely upon;

The Natural Law of The People to assume political independence, being created equal and endowed by the Creator with certain unalienable Rights, including Life, Liberty and Property;

That The People have a right to institute Governments among Men;

That The People as Principal grant said Governments just power to secure the rights of The People;

That The People have the Right and the Duty to duly consider, investigate, and determine with prudence whether abuses, usurpations, and other sufferage have occurred, the destruction of the security of The People, reducing The People under absolute Despotism;

That The People have the Right and Duty to throw off such Government, or actors abusing the Government, and to provide new Guards for the future security of The People;

I have read the "Act to Provide a Government for the Territory of Hawaii, 1900", whereby The People agreed to form a territory and institute a government and thereby established The People's Public Trust of the Hawaii territory for all the World to rely upon;

I have read "The Hawaii State Constitution, 1950", that created the Government of the Hawaii state for the sole purpose of serving and protecting the right and interests of The People of the Hawaii state and thereby establishing said for all the World to rely upon;

I have read "The Articles of Confederation, 1781", whereby The People of said Confederations, constituted to form a union of the states and institute a federal government, and thereby established The People's Public Trust of The United States of America for all the World to rely upon;

I have read "The Constitution of The United States of America, 1789", that created the Government of The United States of America for the sole purpose of serving and protecting the rights and interests of The People of the United States of America and thereby establishing said for all the World to rely upon;

I do reconfirm and ratify that I have pledged my political will, by my oath and bond, my Word, to The Hawaii State Constitution and to Constitution of The United States of America established by The People's Public Trusts as identified herein;

Only after due consideration and investigation, I have determined that the only contract between myself and all governments on, in, or of America is that of The People's Hawaii State Constitution, 1950;

No matter how the administrators of the powers assigned to construct government via state Constitutions whose administrators, public officers, created the federal agency, The United States of America perpetual union of states, 1781 under Confederations alter their administration, in whatever form or forum, the original intent and contract constructing those express powers, I and others of my capacity and standing are the Superior authority, and each government employee or agent is absolutely obligated to serve their Principal and Master. The People, in their original political state, of which I, Hollis Randall: Hillner, am one.

That I am heir to the living state, a perpetuity, having never waived same, holding all political rights reserved, thereby being EXEMPT from my creations, the political state and its current administrators in corporate venue, process, procedures, regulations, statutes, laws or other forms of coercion upon my Principal status;

## SWORN AFFIDAVIT

I have, do, and shall continue to rely on each individual employee of the political state in all of its constructions whether they be public or private, being bound by contract under accepted consideration, to acknowledge their service to the One people who created the very powers each administers as paid employee drawn from neighborhoods of the One People, of which they, My employees, are of The People when not acting for administration of Our Power;

That the absolute proof verifying my self-made legal determinations is the state constitution itself wherein all political power resides with The People, and The People reserve all rights not delegated to our construction, The Hawaii State Constitution, 1950, as evidenced by; "ARTICLE I, Sec. 1. All political power in this state is inherent in The People, and the responsibility for the exercise thereof rests with the The People. All government is founded on this authority."; "ARTICLE 1, Sec. 2, All persons are free by nature and are equal in their inherent and inalienable rights. Amongst these rights are the enjoyment of life, liberty, and the pursuit of happiness, and the acquiring and possessing of property."; "ARTICLE 1, "Sec. 22. The enumeration of rights and privileges shall not be construed to impair or deny others retained by the people."

That I, Hollis Randall: Hillner, am competent to handle my own affairs. Any assumption to the contrary is based upon fraudulent concealment, fraudulent deceit, fraud in the inducement, inducement to take my equities of any nature or kind for purposes of unjust enrichment subject to doctrine of quantum merit requiring equitable restitution;

That I, Hollis Randall: Hillner, am a private living person, not subject to or object of war rules; I am not engaged in activities in conflict with any natural person or entity which could be deemed Trading With An Enemy of My Political State, as the original Political State I reside in is superior to any and all derivatives or administrators of original powers thereof, as I reside in the 5th judicial district, Kauai county, Hawaii state;

NOW THEREFORE, I, Hollis Randall: Hillner, DECLARE, ADJUDGE, and ORDER under the UN-A-LIEN-ABLE RIGHT endowed by my Creator, The People's Creator that:

That I have executed my right and performed my duty to duly consider, investigate, and determine with prudence whether abuses, usurpations, and other sufferage have occurred, the destruction of the security of The People, reducing The People under absolute Despotism;

With prudence, I have determined that Actors, operating within and abusing The People's Governments, have abused, usurped, and committed other sufferage upon The People, destroying the very security of The People they swore to protect and uphold, reducing The People under absolute Despotism, undeniably recorded in the public forum for all the World to evidence;

That there is sufficient prima facia evidence in the public forum that the Actors have already identified themselves to The People and the World in the public forum;

That prior to The People executing their Right and Duty to throw off any live persons that may be within or abusing The People's Governments, that The People shall:

First identify Actors within or abusing The People's Governments operating for the purpose of destruction of The People's security, past, present and future;

That identification of said Actors operating within The People's Governments shall be sufficiently met by evidence of:

the Actors' inability or unwillingness to follow, uphold, or support the Constitutions herein identified and restated here;

the Actors' misapplication against The People of laws previously authorized by The People to be enacted solely for the administration, governance and efficiency of The People's Governments;

the Actors acting outside of the authority granted to them by The People;

the Actors causing the silence, termination, delay or otherwise discrediting of The People's due consideration, investigation or determination of abuse, usurpation, and other sufferage that has already occurred, is occurring or is yet to occur;

the Actors receiving or causing others to receive special interest or benefit that is not afforded to every One of The People;

The Actors themselves do ratify their identity by failing to report and make public in the public forum, before all the World, documentation and information regarding Actors within or abusing The People's Governments that are or have abused, usurped, and committed other sufferage upon The People, destroying the very security of The People, reducing The People to absolute Despotism;

The Actors themselves do ratify their identity by having received or continuing to receive stolen assets and benefits or cause said assets and benefits to be received through deceptive acts and practices when not supported by documentation able to be verified and authenticated in the public forum;

That upon identification of said Actors, The People shall execute their Right and perform their Duty to throw off any live persons that may be within or abusing The People's Governments and The People shall provide new Guards for the future security of The People;

That my EXEMPT STATUS and CAPACITY on authority of the Hawaii State Constitution, supported by the Declaration of Independence and the other Constitutions identified herein, restated here, is perfected in law and in fact which is now before all of the World;

Any and all constructed entities of any nature or kind are limited in their relationships with me to those I consent to be engaged under full disclosure, with consideration, all performance there under expected by such entities to be of written agreement known to all parties as the only enforceable provisions which could have affect upon me, Hollis Randall: Hillner;

That in the event I, Hollis Randall: Hillner, am held to any performance outside my understandings through or by the threat or use of threat of physical injury, or physical restraint, or by use or threat of use of coercion through the law or legal process, placing me in fear of physical restraint or injury or legal coercion will cause me to believe and have evidence that I am held to an involuntary servitude<sup>1</sup>;

That the STATE OF HAWAII, the administrator for and to the powers held in the name of The People of Hawaii state; a political body, a government, a public trust, has taken the political will of The People under constitution as value to found said current administration and waived any and all defects. Thereby all agents of the STATE OF HAWAII are bound to the original Hawaii State Constitution. The contract for transfer and administration of political will is the only agreement between The People, of which Hollis Randall: Hillner is one, and must be enforced upon all agents and instrumentalities operating for the STATE OF HAWAII. Lack of such enforcement for the recognition of Hollis Randall: Hillner's rights and others' rights with similar capacity and standing under the contract constitution by agents of STATE OF HAWAII or UNITED STATES OF AMERICA is involuntary servitude to STATE OF HAWAII corporation, EIN 99-6001081, and UNITED STATES OF AMERICA corporation. Purchase and/or use of powers, authorities held by Hawaii state, applied by the STATE OF HAWAII, to operate a business providing goods and services of government, binds the STATE OF HAWAII to original contract constitution. This purchase and use is perfected by bonded performance, the valuable consideration, payment for use of powers, the specific individual performance under original contract to the Hawaii State Constitution, Constitution of the United States of America by each Actor claiming to act for the STATE OF HAWAII and the UNITED STATES OF AMERICA. operating outside the original contract constitution affected upon Hollis Randall: Hillner is involuntary servitude.<sup>1</sup>;

I, Hollis Randall: Hillner, state as a matter of personal legal determination that in the event that I am held to any STATE OF HAWAII, REVISED CODE, ADMINISTRATIVE CODE, COUNTY ORDINANCE, CITY ORDINANCE or FEDERAL UNITED STATES CODE, FEDERAL REGULATION or FEDERAL RESERVE REGULATION whatsoever against my will, without full knowing consent shown by signed contract with full disclosure of law and contract obligations, duly processed under limits of the Hawaii State Constitution specifically disclosing the section relied upon, wherein, The People are identified as subjects of and to such delegations therein, proves and will be evidence that I am held to involuntary servitude of the most base kind. And I will have proof founded upon such holding of me against my will that such holding is for personal gain and benefit to those holding me to peonage, of whatever position, public or private;

I, Hollis Randall: Hillner, believe and have evidence the Hawaii state law, its constitution, and its administrative body, the STATE OF HAWAII codes and administrative regulations, never authorized any federal or state agency or instrumentality to act against me without my consent. I HAVE NEVER GIVEN MY CONSENT TO BE SUBJECT OR OBJECT OF OR TO POWERS NOT DULY DELEGATED BY THE PEOPLE TO CREATE OUR CONSTITUTION, THE DOCUMENT CONSTRUCTING THE POLITICAL BODY the constitution and laws of the Hawaii state administration. Any such holding of me to anything, particularly by INTERNAL REVENUE SERVICE, is involuntary servitude enforced by coercion threat of physical injury, physical restraint, threat or coercion through the law or legal process, a violation of law, a felony, that of slavery through conspiracy between STATE OF HAWAII and INTERNAL REVENUE SERVICE;

This conspiracy takes the form of STATE OF HAWAII allowing INTERNAL REVENUE SERVICE to act out what would be felonies by any other person. The felony is attaching asset via process not in compliance with STATE OF HAWAII laws governing taking wherein due process is required. The never applying for due process means INTERNAL REVENUE SERVICE commits theft by deception. Federal debt collection laws also require due process and court orders prior to takings just as STATE OF HAWAII law does. This means INTERNAL REVENUE SERVICE is committing theft in violation of federal law as well;

Being that funds collected by any party of STATE OF HAWAII and/or federal instrumentality is used to support a private money system, FEDERAL RESERVE, my position carries my equity through all systems using private money system operated and owned by FEDERAL RESERVE;

## SWORN AFFIDAVIT

I, Hollis Randall: Hillner, have been induced by INTERNAL REVENUE SERVICE, a claimed yet unproved federal agency functioning under United States Treasury, to engage, for the giving up of my labor in the form of TAX. This TAX and its systems of operations are enforced against me through deceit, deceptive trade practices wherein INTERNAL REVENUE SERVICE masquerades as officials of The United States, under threat of physical restraint, or physical injury, by use or threat of coercion through the law or legal process<sup>2</sup>, holds me to liability against my will without disclosure of authority to do so, slavery in fact and deed;

INTERNAL REVENUE SERVICE in conspiracy with Actors operating *within or abusing* the United States Attorney's Offices, United States Courts, STATE OF HAWAII, construct and enforce a falsehood fraudulently inducing me to believe that:

I may be forced to contract against my will with anyone including the Governments I as One of The People created, creates or shall create;

I may be forced to cooperate with a fraud;

I as One of The People, am inferior to the Governments we created, whom derive their just and limited power from The People;

I may be forced to accept the misapplication and enforcement of laws authorized to be created solely for the governance, administration and efficiency of The People's Governments;

I may be forced to give testimony against myself when a penalty is involved, against my will;

I may be held against my will by actions which place me in fear of physical restraint or injury through legal coercion;

I have no right to see the law and regulations duly promulgated that are used against me;

I have no right to challenge process, used against me through the legal process;

If I demand to see the law or contract I am held to by INTERNAL REVENUE SERVICE and co-conspirators, I will be deemed to be committing unlawful acts;

That if I demand to see that a loan was made, which is required for a debt to exist, that I am being contentious and irresponsible;

## **SWORN AFFIDAVIT**

The force used against me through legal coercion, the fear of injury, physical restraint, is not designed and is not intended to hold me to involuntary servitude, a slave to INTERNAL REVENUE SERVICE; and that same is not a violation of law;

That there is no evidence anywhere that my beliefs as based on facts in public record, or that my beliefs herein are not true, correct, with complete verification by and through the Hawaii State Constitution;

That if I believe in the Constitutions and founding documents, then I am to be labeled a "constitutionalist" and designated by the legal enforcement systems operating the SLAVERY SYSTEM as a "domestic terrorist";

That our Founding Fathers were the first terrorists on American soil;

I do not believe such inducement is based on any authority. I believe the inducement is in fact a fraud, a lie intended to place me in bonded peonage to private law and commercial systems, for which certain actors receive benefits of such slavery;

I do not believe that our Founding Fathers were terrorists;

I am not a terrorist, domestic or otherwise;

I own my own body and mind, and the commandeered units of my labor backed value, the funds representing my labor, sweat equity, taken by the INTERNAL REVENUE SERVICE or any *Actor* under fraudulent process, when identified as received by INTERNAL REVENUE SERVICE, are used to back FEDERAL RESERVE private money system which establishes my contractual right to REIMBURSEMENT in any claim for return of sweat equity;

I, Hollis Randall: Hillner, am now held as involuntary servant, a slave, under false representations of material fact made with knowledge of its falsity, with reckless abandon, with no reasonable grounds for those holding me bound against my will to believe its truth, under intent to induce reliance on such falsities, upon which I have previously relied to my injury under concealment of deceptive trade practices, acts conveying my property, labor, of any nature or kind, the premier equity position, intended to defraud me, the CREDITOR, by hindering, delaying REIMBURSEMENT and recoupment of values attached to my equities taken and used by FEDERAL RESERVE to fund its private money systems as well as others with my similar capacity and standing;

I, Hollis Randall: Hillner, have been made BANKRUPT, INSOLVENT under PL 88-243, 77 stat 630, 1-201 (24) by all Executive Orders; 2040 March 9, 1933, 2039 March 6, 1933, House Joint Resolution 192 June 5, 1933; et seq. which suspended Hollis Randall: Hillner's

legal and political right to pay, extinguish, my debts with lawful public money system funds set by law constructing any and all government entities or instrumentalities. I had no knowledge until recently that this peril of Bankruptcy, insolvency, could act upon me as if I were an involuntary servant wherein I could be forced to perform services in discharge of debt due to inability to pay. The inability to pay operated through the legal process without knowledge that such use of discharge could make me a slave to private money system operated by FEDERAL RESERVE and UNITED STATES TREASURY under War Powers Rules, is now known to me;

Deceptive trade and legal process wherein my labor, sweat equity, my commandeered units of labor backed value, is taken by collection under coercion and force with threat intended to create fear that I will be harmed, injured, demanding my equities be returned, results in involuntary servitude, peonage to such enforcement systems;

That FEDERAL RESERVE operates as the ultimate Buyer of my equities used to support its private money systems, wherein purchase or use of my equities by any party constructs the contract and contractual Right against FEDERAL RESERVE in all its instrumentalities and interlocking directorates for REIMBURSEMENT of value taken in current funds upon demand;

That I, Hollis Randall: Hillner, rely upon the very powers organizing the FEDERAL RESERVE, governments and commercial engagements inclusive for enforcement of my contractual rights, the absolute obligations, as securities of the United States being mandatory without excuse of any kind upon THE FEDERAL RESERVE;

That Hollis Randall: Hillner, holding rights reserved, is supported by laws of International Commerce administered by the World Court of Justice before which my complaints of DISHONOR IN COMMERCE are enforceable under audit upon any and all equities related to my labor, wherever situated under any transfer instrument of any kind; and that,

I, Hollis Randall: Hillner, declare as founded upon notorious public record authorities that FAILURE TO REIMBURSE UPON DEMAND UNDER USE OF MY EQUITIES IS INVOLUNTARY SERVITUDE TO THE PRIVATE MONEY SYSTEM OWNED AND OPERATED BY FEDERAL RESERVE SYSTEM, TO EACH AND EVERY OF ITS BENEFICIARIES OF ANY NATURE UNDER ANY KIND OF CONTRACT OR AGREEMENT WHATSOEVER, REAL OR ASSUMED.

## **PRAECIPE FOR CERTIFICATE OF EXEMPTION**

The STATE OF HAWAII, and any and all derivatives of the Superior, shall recognize that I, Hollis Randall: Hillner, one of The People of the Hawaii state, wherein the political power is Inherent and Superior to derivatives granted therefrom, and the express purpose of said derivatives established is to protect and maintain the rights of the Superior, the Principle, The People of the Hawaii state. This Praecipec is ratification of the open notorious general offer specifically defined in the terms and conditions of "The State of Hawaii Constitution", fully accepted in good faith for good faith performance. I have read the "The State of Hawaii Constitution" and do understand that the provisions of said Constitution are mandatory, and I expressly do not declare otherwise.

I have determined I am one of The People creating the political body politic authorizing the establishment of the government of the STATE OF HAWAII for the expressly stated purpose of protecting and maintaining the rights of The People of the Hawaii state.

I have made the legal determination that none of the powers held by the STATE OF HAWAII, and any and all derivatives of the Superior, identify me as subject to its powers, nunc pro tunc. This is because Article III authorizes no legislative act for having affect on The People who created the STATE OF HAWAII government. I hereby cancel for cause all undisclosed contracts, including but not limited to, adhesion contracts, undisclosed trusts of all types, and all undisclosed presumptions, nunc pro tunc.

Therefore, absent the GOVERNOR OF THE STATE OF HAWAII producing prior written proof with specificity and particularity, citing chapter and verse its authority and basis for not issuing the Certificate of Exemption, you, Mr. Abercrombie, the GOVERNOR OF THE STATE OF HAWAII, and any and all derivatives of the Superior, are required, under and secured by your own promise, to recognize my claim to exemption from the inferior laws, statutes and codes derived from the Superior public law and implemented and enforced by and between the derivatives in order to perform their duties and obligations of the terms and conditions of "The State of Hawaii Constitution", to serve and protect The People of the Hawaii state.

I formally serve this Praecipec on, and to, the GOVERNOR OF THE STATE OF HAWAII under your trust, and you shall forthwith issue the Certificate of Exemption to Hollis Randall: Hillner, one of The People of the Hawaii state, on your office letterhead, signed by you, with the seal of the STATE OF HAWAII affixed in due form and deliver said confirmation of exemption to all derivatives of the STATE OF HAWAII.

In support of this formal Praecipec to issue the Certificate of Exemption, I include, with the aforementioned indemnity, the pledge as sworn below and incorporated herein as if set forth in full. I hereby set out the facts showing that I am held to involuntary servitude, SLAVERY in fact and deed. The STATE OF HAWAII's operation, and by that of the derivatives there under, EIN# 99-6001081 and all EIN's there under, and the

fact that the STATE OF HAWAII operates under the private money system of the FEDERAL RESERVE, shows conclusive proof that the STATE OF HAWAII, and its GOVERNOR OF THE STATE OF HAWAII, ALL OFFICES AND AGENCIES OF THE GOVERNMENT derived from the Superior, are beneficiaries from my being held to involuntary servitude to the FEDERAL RESERVE. Therefore, I formally and expressly claim exemption, and serve you this Praecipec to issue forthwith the Certificate of Exemption, or produce prior written proof with specificity and particularity, citing chapter and verse, your authority and basis for refusing to issue the Certificate of Exemption.

If you are able to show me where I may not rely on "The State of Hawaii Constitution", as evidenced by "ARTICLE I, Sec. 1. All political power in this state is inherent in The People, and the responsibility for the exercise thereof rests with the The People. All government is founded on this authority." And, "Sec. 2, All persons are free by nature and are equal in their inherent and inalienable rights. Amongst these rights are the enjoyment of life, liberty, and the pursuit of happiness, and the acquiring and possessing of property." And, "Sec. 22, The enumeration of rights and privileges shall not be construed to impair or deny others retained by The People." then you would destroy the Superior power, and, hence, the derivatives granted and established there from. **PRAECIPE FOR CERTIFICATE OF EXEMPTION**

The STATE OF HAWAII, and any and all derivatives of the Superior, shall recognize that I, Hollis Randall: Hillner, one of The People of the Hawaii state, wherein the political power is Inherent and Superior to derivatives granted therefrom, and the express purpose of said derivatives established is to protect and maintain the rights of the Superior, the Principle, The People of the Hawaii state. This Praecipec is ratification of the open notorious general offer specifically defined in the terms and conditions of "The State of Hawaii Constitution", fully accepted in good faith for good faith performance. I have read the "The State of Hawaii Constitution" and do understand that the provisions of said Constitution are mandatory, and I expressly do not declare otherwise.

I have determined I am one of The People creating the political body politic authorizing the establishment of the government of the STATE OF HAWAII for the expressly stated purpose of protecting and maintaining the rights of The People of the Hawaii state.

I have made the legal determination that none of the powers held by the STATE OF HAWAII, and any and all derivatives of the Superior, identify me as subject to its powers, nunc pro tunc. This is because Article III authorizes no legislative act for having affect on The People who created the STATE OF HAWAII government. I hereby cancel for cause all undisclosed contracts, including but not limited to, adhesion contracts, undisclosed trusts of all types, and all undisclosed presumptions, nunc pro tunc.

Therefore, absent the GOVERNOR OF THE STATE OF HAWAII producing prior written proof with specificity and particularity, citing chapter and verse its authority and basis for not issuing the Certificate of Exemption, you, Mr. Abercrombie, the GOVERNOR OF THE STATE OF HAWAII, and any and all derivatives of the Superior, are required, under and secured by your own promise, to recognize my claim to exemption from the inferior laws, statutes and codes derived from the Superior public law and implemented and enforced by and between the derivatives in order to perform their duties and obligations of the terms and conditions of "The State of Hawaii Constitution", to serve and protect The People of the Hawaii state.

I formally serve this Praecipec on, and to, the GOVERNOR OF THE STATE OF HAWAII under your trust, and you shall forthwith issue the Certificate of Exemption to Hollis Randall: Hillner, one of The People of the Hawaii state, on your office letterhead, signed by you, with the seal of the STATE OF HAWAII affixed in due form and deliver said confirmation of exemption to all derivatives of the STATE OF HAWAII.

In support of this formal Praecipec to issue the Certificate of Exemption, I include, with the aforementioned indemnity, the pledge as sworn below and incorporated herein as if set forth in full. I hereby set out the facts showing that I am held to involuntary servitude, SLAVERY in fact and deed. The STATE OF HAWAII's operation, and by that of the derivatives there under, EIN# 99-6001081 and all EIN's there under, and the

fact that the STATE OF HAWAII operates under the private money system of the FEDERAL RESERVE, shows conclusive proof that the STATE OF HAWAII, and its GOVERNOR OF THE STATE OF HAWAII, ALL OFFICES AND AGENCIES OF THE GOVERNMENT derived from the Superior, are beneficiaries from my being held to involuntary servitude to the FEDERAL RESERVE. Therefore, I formally and expressly claim exemption, and serve you this Praecipec to issue forthwith the Certificate of Exemption, or produce prior written proof with specificity and particularity, citing chapter and verse, your authority and basis for refusing to issue the Certificate of Exemption.

If you are able to show me where I may not rely on "The State of Hawaii Constitution", as evidenced by "ARTICLE I, Sec. 1. All political power in this state is inherent in The People, and the responsibility for the exercise thereof rests with the The People. All government is founded on this authority." And, "Sec. 2, All persons are free by nature and are equal in their inherent and inalienable rights. Amongst these rights are the enjoyment of life, liberty, and the pursuit of happiness, and the acquiring and possessing of property." And, "Sec. 22, The enumeration of rights and privileges shall not be construed to impair or deny others retained by The People." then you would destroy the Superior power, and, hence, the derivatives granted and established there from. I expressly cancel any undisclosed presumptions, nunc pro tunc, made and taken by the derivatives against me, and I expressly reserve the sole and exclusive right to the final determination of all definitions and intent of my statements contained herein governed by Public Law.

I do not consent to be held as bankrupt. I do not consent to be held to authorities not granted to the STATE OF HAWAII as currently administered by the STATE OF HAWAII under operation by the duties and obligations of performance by the derivatives pursuant to the terms and conditions for "The State of Hawaii Constitution".
