I execute and cause this Praeipse to be served on and to the OFFICE OF GOVERNOR, STATE OF OREGON, in order to prevent liability, past, present and future, to be created and incurred by STATE OF PRAEIPCE FOR CERTIFICATE OF EXEMPTION

OREGON through their actions that violate the terms and conditions of The STATE OF OREGON Constitution, and you will forthwith issue a Certificate of Exemption for Caleb Paul Skinner, nunc pro tunc, with the official seal of the STATE OF OREGON, to be served upon the derivatives there under as follows:

The STATE OF OREGON, and any and all derivatives of the Superior, shall recognize that I, Caleb Paul Skinner, one of The People of the STATE OF OREGON, wherein the political power is inherent and Superior to derivatives granted there from, and the express purpose of said derivatives established is to protect and maintain the rights of the Superior, the Principle, The People of the STATE OF OREGON. This Praeipie is ratification of the open notorious general offer specifically defined in the terms and conditions of The STATE OF OREGON Constitution, fully accepted in good faith for good faith performance, and I have read the STATE OF OREGON Constitution and do understand that the provisions of said Constitution are mandatory, and I expressly do not declare otherwise.

I have determined I am one of The People creating the political body politic authorizing the establishment of the government of STATE OF OREGON for the expressly stated purpose of protecting and maintaining the rights of The People of the STATE OF OREGON.

I have made the legal determination that none of the powers held by STATE OF OREGON, and any and all derivatives of the Superior, identify me as subject to its powers, nunc pro tunc. This is because Article IV authorizes no legislative act for having affect on The People who created the STATE OF OREGON government. I hereby cancel for cause all undisclosed contracts, including but not limited to, adhesion contracts, undisclosed trusts of all types and all undisclosed presumptions, nunc pro tunc.

Therefore, absent THE OFFICE OF GOVERNOR, STATE OF OREGON, producing prior written proof with specificity and particularity, citing chapter and verse its authority and

basis for not issuing the Certificate of Exemption, you, the OFFICE OF GOVERNOR, STATE OF OREGON, and any and all derivatives of the Superior, are required, under and secured by your own promise, to recognize my claim to exemption from the inferior laws, statutes and codes derived from the Superior public law and implemented and enforced by and between the derivatives in order to perform their duties and obligations of the terms and conditions of The STATE OF OREGON Constitution, to serve and protect The People of the STATE OF OREGON .

I formally serve this Praeceptum on and to the OFFICE OF GOVERNOR, STATE OF OREGON under your trust, and you shall forthwith issue the Certificate of Exemption to Caleb Paul Skinner, one of The People of the STATE OF OREGON, on your office letterhead, signed by you, with the seal of the STATE OF OREGON affixed in due form and deliver said confirmation of exemption to all derivatives of STATE OF OREGON.

In support of this formal Praeceptum to issue the Certificate of Exemption, I include, with the aforementioned indemnity, the pledge as sworn below and incorporated herein as if set forth in full. I hereby set out the facts showing that I am held to involuntary servitude, SLAVERY in fact and deed. STATE OF OREGON's operation, and by that of the derivatives there under, under EIN (Employer's Identification Number) 93-1070707, and any and all EIN's there under, and the fact that STATE OF OREGON operates under the private money system of the FEDERAL RESERVE, shows conclusive proof that STATE OF OREGON, and its OFFICE OF GOVERNOR, ALL OFFICES AND AGENCIES OF THE GOVERNMENT derived from the Superior, are beneficiaries from my being held to involuntary servitude to FEDERAL RESERVE. Therefore, I formally and expressly claim exemption and serve you this Praeceptum to issue forthwith the Certificate of Exemption, or produce prior written proof with specificity and

particularity, citing chapter and verse your authority and basis for refusing to issue the Certificate of Exemption.

If you are able to show me where I may not rely on The STATE OF OREGON Constitution, then you would destroy the Superior power, and, hence, the derivatives granted and established there from.

The STATE OF OREGON Constitution of 1859 administrative forum, states that all political power resides in The People and governments only have just powers there from under CONSENT OF THE GOVERNED, and my individual rights are to be protected, at Article 1 Section 1. Section 33 of Article 1 reserves all powers to me when not given to government. I expressly cancel any undisclosed presumptions, nunc pro tunc, made and taken by the derivatives against me and I expressly reserve the sole and exclusive right to the final determination of all definitions and intent of my statements contained herein governed by Public Law.

I do not consent to be held as bankrupt. I do not consent to be held to authorities not granted to STATE OF OREGON as currently administered by STATE OF OREGON under operation by the duties and obligations of performance by the derivatives pursuant to the terms and conditions for The STATE OF OREGON Constitution. I do not consent to involuntary servitude. I do not consent to NOT being recognized as exempt by current officials operating STATE OF OREGON.

I demand the reservation of rights forthwith, the issuance forthwith of the Certificate of Exemption, and that said be enforced forthwith under The STATE OF OREGON Constitution, secured by your oath, and those of any and all derivatives of the Superior, to serve that document and its Principals, The People of the STATE OF OREGON.

I choose to live in the political state where I am protected and demand the OFFICE OF GOVERNOR, STATE OF OREGON, and any and all derivatives of the Superior, to issue forthwith the recognition of my right to demand The STATE OF OREGON Constitution be executed truthfully, accurately and completely, and to issue an order to any and all of the derivatives to do the same.

I expect a Certificate of Exemption with accompanying notice to all law enforcement and all other derivative agencies of STATE OF OREGON within ten (10) days. Otherwise, the full spectrum of the slavery cooperated by you, THE OFFICE OF GOVERNOR, STATE OF OREGON and any and all derivatives of the Superior, upon my body and political rights will be operative fact of public record, contrary to public law.

I hereby unequivocally pledge my political will, my personal property, to the organic state constructed by The People of the STATE OF OREGON, nunc pro tunc, as held in the public trust as titled The STATE OF OREGON.

All aforementioned is duly verified and made under the penalty of perjury under the laws of the STATE OF OREGON on this 26th day of February, 2011, in Portland, Oregon, nunc pro tunc.

liability, past, present and future, to be created and incurred by STATE OF OREGON through their actions that violate the terms and conditions of The STATE OF OREGON Constitution, and you will forthwith issue a Certificate of Exemption for Caleb Paul Skinner, nunc pro tunc, with the official seal of the STATE OF OREGON, to be served upon the derivatives there under as follows:

The STATE OF OREGON, and any and all derivatives of the Superior, shall recognize that I, Caleb Paul Skinner, one of The People of the STATE OF OREGON, wherein the political power is inherent and Superior to derivatives granted there from, and the express purpose of said derivatives established is to protect and maintain the rights of the Superior, the Principle, The People of the STATE OF OREGON. This Praeceptum is ratification of the open notorious general offer specifically defined in the terms and conditions of The STATE OF OREGON Constitution, fully accepted in good faith for good faith performance, and I have read the STATE OF OREGON Constitution and do understand that the provisions of said Constitution are mandatory, and I expressly do not declare otherwise.

I have determined I am one of The People creating the political body politic authorizing the establishment of the government of STATE OF OREGON for the expressly stated purpose of protecting and maintaining the rights of The People of the STATE OF OREGON.

I have made the legal determination that none of the powers held by STATE OF OREGON, and any and all derivatives of the Superior, identify me as subject to its powers, nunc pro tunc. This is because Article IV authorizes no legislative act for having affect on The People who created the STATE OF OREGON government. I hereby cancel for cause all undisclosed contracts, including but not limited to, adhesion contracts, undisclosed trusts of all types and all undisclosed presumptions, nunc pro tunc.

Therefore, absent the OFFICE OF THE DEPARTMENT OF JUSTICE, STATE OF OREGON, producing prior written proof with specificity and particularity, citing chapter and verse its authority and basis for not issuing the Certificate of Exemption, you, the OFFICE OF THE DEPARTMENT OF JUSTICE, STATE OF OREGON, and any and all derivatives of the Superior, are required, under and secured by your own promise, to recognize my claim to exemption from the inferior laws, statutes and codes derived from the Superior public law and implemented and enforced by and between the derivatives in order to perform their duties and obligations of the terms and conditions of The STATE OF OREGON Constitution, to serve and protect The People of the STATE OF OREGON .

I formally serve this Praeceptum on and to the OFFICE OF THE DEPARTMENT OF JUSTICE, STATE OF OREGON under your trust, and you shall forthwith issue the Certificate of Exemption to Caleb Paul Skinner, one of The People of the STATE OF OREGON, on your office letterhead, signed by you, with the seal of the STATE OF OREGON affixed in due form and deliver said confirmation of exemption to all derivatives of STATE OF OREGON.

In support of this formal Praeceptum to issue the Certificate of Exemption, I include, with the aforementioned indemnity, the pledge as sworn below and incorporated herein as if set forth in full. I hereby set out the facts showing that I am held to involuntary servitude, SLAVERY in fact and deed. STATE OF OREGON's operation, and by that of the derivatives there under, under EIN (Employer's Identification Number) 93-1070707, and any and all EIN's there under, and the fact that STATE OF OREGON operates under the private money system of the FEDERAL RESERVE, shows conclusive proof that STATE OF OREGON, and its OFFICE OF THE DEPARTMENT OF JUSTICE, ALL OFFICES AND AGENCIES OF THE GOVERNMENT derived from the Superior, are beneficiaries from my being held to involuntary servitude to FEDERAL RESERVE. Therefore, I formally and expressly claim exemption and

serve you this Praeceptum to issue forthwith the Certificate of Exemption, or produce prior written proof with specificity and particularity, citing chapter and verse your authority and basis for refusing to issue the Certificate of Exemption.

If you are able to show me where I may not rely on The STATE OF OREGON Constitution, then you would destroy the Superior power, and, hence, the derivatives granted and established there from.

The STATE OF OREGON Constitution of 1859 administrative forum, states that all political power resides in The People and governments only have just powers there from under CONSENT OF THE GOVERNED, and my individual rights are to be protected, at Article 1 Section 1. Section 33 of Article 1 reserves all powers to me when not given to government. I expressly cancel any undisclosed presumptions, nunc pro tunc, made and taken by the derivatives against me and I expressly reserve the sole and exclusive right to the final determination of all definitions and intent of my statements contained herein governed by Public Law.

I do not consent to be held as bankrupt. I do not consent to be held to authorities not granted to STATE OF OREGON as currently administered by STATE OF OREGON under operation by the duties and obligations of performance by the derivatives pursuant to the terms and conditions for The STATE OF OREGON Constitution. I do not consent to involuntary servitude. I do not consent to NOT being recognized as exempt by current officials operating STATE OF OREGON.

I demand the reservation of rights forthwith, the issuance forthwith of the Certificate of Exemption, and that said be enforced forthwith under The STATE OF OREGON Constitution, secured by your oath, and those of any and all derivatives of the Superior, to serve that document and its Principals, The People of the STATE OF OREGON.

I choose to live in the political state where I am protected and demand the OFFICE OF THE DEPARTMENT OF JUSTICE, STATE OF OREGON, and any and all derivatives of the Superior, to issue forthwith the recognition of my right to demand The STATE OF OREGON Constitution be executed truthfully, accurately and completely, and to issue an order to any and all of the derivatives to do the same.

I expect a Certificate of Exemption with accompanying notice to all law enforcement and all other derivative agencies of STATE OF OREGON within ten (10) days. Otherwise, the full spectrum of the slavery cooperated by you, the OFFICE OF THE DEPARTMENT OF JUSTICE, STATE OF OREGON and any and all derivatives of the Superior, upon my body and political rights will be operative fact of public record, contrary to public law.

I hereby unequivocally pledge my political will, my personal property, to the organic state constructed by The People of the STATE OF OREGON, nunc pro tunc, as held in the public trust as titled The STATE OF OREGON.

All aforementioned is duly verified and made under the penalty of perjury under the laws of the STATE OF OREGON on this 26th day of February, 2011, in Portland, Oregon, nunc pro tunc.

AFFIDAVIT

Statement of Exemption for Restitution

the State of Oregon)
) ss.
the County of Multnomah)

1. KNOW ALL MEN BY THESE PRESENTS BEFORE ALL THE WORLD, That I, Caleb Paul Skinner, a private civilian, am not public property. I have no notice of being public property. I am not aware of, nor party to, any process or procedure deeming me public property; and that,

2. I and others of my capacity and standing are the creators of all government operating on the land of American; and that

3. No matter how the administrators of the powers assigned to construct government via state Constitutions whose administrators, public officers created the federal agency, The United States of America perpetual union of states, 1781 under Confederations alter their administration, in whatever form or forum, the original intent and contract constructing those express powers, is the superior authority, and each government employee or agent is absolutely obligated to serve their Master, the People, in their original political state, of which I Caleb Paul Skinner am one, and that,

4. I, Caleb Paul Skinner, am heir to the living state, a perpetuity, having never waived same, holding all political rights reserved, thereby being EXEMPT from my creations, the political state and its current administrators in corporate venue, process, procedures, regulations, statutes, laws or other forms of coercion upon my Sovereign status; and that,

5. I, Caleb Paul Skinner, rely on each individual employee of the political state in all of its constructions whether they be public or private, being bound by contract under accepted consideration, to acknowledge their service to the One people who created the very powers each administers as paid employee drawn from neighborhoods of the One People, of which they, My employees, are of the People when not acting for administration of Our Power; and that,

6. I, Caleb Paul Skinner, have determined that the only contract between myself and all governments on, in or of America is that of the State of Oregon's Constitution, 1859; and that,

7. The absolute proof verifying my self-made legal determinations is the state constitution itself wherein all political power resides with the people, and the people reserve all rights not delegated to our construction, the State of Oregon 1859, as evidenced by "ARTICLE I DECLARATION OF RIGHTS Sec. 1. "We declare that all men, when they form a social compact are equal in right: that all power is inherent in the people, and all free governments are founded on their authority, and instituted for their peace, safety, and happiness; and they have at all times a right to alter, reform, or abolish the government in such manner as they may think proper." and Sec. 33. "This enumeration of rights, and privileges shall not be construed to impair or deny others retained by the people."; and that,

8. I, Caleb Paul Skinner, am competent to handle my own affairs. Any assumption to the contrary is based upon fraudulent concealment, fraudulent deceit, fraud in the inducement, inducement to take my equities of any nature or kind for purposes of unjust enrichment subject to doctrine of quantum merit requiring equitable restitution; and that,

9. I, Caleb Paul Skinner, am a private civilian, not subject or object of war rules, not engaged in activities in conflict with any natural person or entity which could be deemed Trading With An Enemy of My Political State, as the original Political State I reside in is superior to any and all derivatives or administrators of original powers thereof, as I domicile in the 5th judicial district, on the county of Clackamas.

10. THEREFORE, I, Caleb Paul Skinner, DECLARE my EXEMPT STATUS and CAPACITY on authority of the Constitution for the State of Oregon, 1859. My exempt status is perfected in law which is now before all of the world; and that,

11. Any and all constructed entities of any nature or kind are limited in their relationships with me to those I consent to be engaged under full disclosure, with consideration, all performance there under expected by such entities to be of written agreement known to all parties as the only enforceable provisions which could have affect upon me, Caleb Paul Skinner; and that,

12. In the event I, Caleb Paul Skinner, am held to any performance outside my understandings through or by the threat or use of threat of physical injury, or physical restraint, or by use or threat of use of coercion through the law or legal process, placing me in fear of physical restraint or injury or legal coercion will cause me to believe and have evidence that I am held to an involuntary servitude 1; and that,

1 United States vs Kozminski, 488 US 931 (1988), NO 86-2000, decided June 29, 1988. "Held for purposes of criminal prosecution under §241 or §1584, the term, "Involuntary servitude" necessarily means a condition of servitude in which the victim is forced to work for defendant (IRS) by use or threat of physical restraint or physical injury or by use or threat of coercion through the law or the legal process. This definition encompasses cases in which the defendant holds the victim (me) in servitude by placing him or her in such fear of physical restraint or injury or legal coercion".

13. STATE OF OREGON, the administrator for and to the powers held in the name of the One People of Oregon by the State of Oregon; a political body, a government, a public trust, has taken the political will of The People under constitution as value to found said current administration and waived any and all defects. Thereby all agents of STATE OF OREGON are bound to the original state constitution. The contract for transfer and administration of political will is the only agreement The People of which Caleb Paul Skinner is one, and must be enforced upon all agents and instrumentalities operating for STATE OF OREGON. Lack of such enforcement for the recognition of Caleb Paul Skinner's rights under the contract constitution by agents of STATE OF OREGON is involuntary servitude to STATE OF OREGON corporation, EIN 93-1070107. Purchase and/or use of powers, authorities held by State of Oregon, applied by STATE OF OREGON, to operate a business providing goods and services of government, binds STATE OF OREGON to original contract constitution. This purchase is perfected by bonded performance, the valuable consideration, payment for use of powers, the specific performance under original contract to the State of Oregon constitution. Any and all acts and/ or omissions operating outside the original contract constitution affected upon Caleb Paul Skinner is involuntary servitude. 1

14. I, Caleb Paul Skinner, state as a matter of personal legal determination that in the event that I am held to any STATE OF OREGON, REVISED CODE, ADMINISTRATIVE CODE, COUNTY ORDINANCE, CITY ORDINANCE or FEDERAL UNITED STATES CODE, FEDERAL REGULATION or FEDERAL RESERVE REGULATION whatsoever against my will, without full knowing consent shown by signed contract with full disclosure of law and contract obligations, duly processed under limits of the State of Oregon constitution specifically disclosing the section relied upon, wherein, The People are identified as subjects of and to such delegations therein, proves and will be evidence that I am held to involuntary servitude of the most base kind. And I will have proof founded upon such holding of me against my will that such holding is for personal gain and benefit to those holding me to peonage, of whatever position, public or private.

15. I, Caleb Paul Skinner, believe and have evidence the State of Oregon law, its constitution, and its administrative body STATE OF OREGON codes and administrative regulations, never authorized any federal or state or instrumentality to act against me without my consent. I HAVE NEVER GIVEN MY CONSENT TO BE SUBJECT OR OBJECT OF OR TO POWERS NOT DULY DELEGATED BY THE PEOPLE TO CREATE OUR CONSTITUTION, THE DOCUMENT CONSTRUCTING THE POLITICAL BODY the State of Oregon, Republic, 1859 administration. Any such holding of me to anything, particularly by INTERNAL REVENUE and/or INTERNAL REVENUE SERVICE, is involuntary servitude enforced by coercion threat of physical injury, physical restraint, threat or coercion through the law or legal process, a violation of law, a felony, that of slavery through conspiracy between STATE OF OREGON and INTERNAL REVENUE and/or INTERNAL REVENUE SERVICE.

16. This conspiracy takes the form of STATE OF OREGON allowing INTERNAL REVENUE SERVICE to act out what would be felonies by any other person. The felony is attaching asset via process not in compliance with STATE OF OREGON laws governing taking wherein due process is required. The never applying for due process means INTERNAL REVENUE SERVICE commits theft by deception. Federal debt collection laws also require due process and court orders prior to takings just as STATE OF OREGON law does. This means INTERNAL REVENUE SERVICE is committing theft in violation of federal law as well.

17. Being that funds collected by any party of STATE OF OREGON and/or federal instrumentality is used to support a private money system, FEDERAL RESERVE, my position carries my equity through all systems using a private money system operated and owned by FEDERAL RESERVE.

18. I, Caleb Paul Skinner, have been induced by INTERNAL REVENUE SERVICE, a claimed yet unproved federal agency functioning under United States Treasury, to engage, for the giving up of my labor in the form of TAX. This TAX and its systems of operations are enforced against me through deceit, deceptive trade practices wherein INTERNAL REVENUE SERVICE masquerades as officials of The United States, under threat of physical restraint, or physical injury, by use or threat of coercion through the law or legal process, 2 holds me to liability against my will without disclosure of authority to do so, slavery in fact and deed.

19. INTERNAL REVENUE SERVICE in conspiracy with the United States Attorney's Offices, United States Courts, STATE OF OREGON, construct and enforce a falsehood fraudulently inducing me to believe that: I may be forced to contract with anyone including the governments, I as One of the People creates, against my will; I may be forced to give testimony against myself when a penalty is involved, against my will; I may be held against my will by actions which place me in fear of physical restraint or injury through legal coercion; I have no right to see the law and regulations duly promulgated that are used against me; I have no right to challenge process, used against me through the legal process; If I demand to see the law or contract I am held to by INTERNAL REVENUE SERVICE and co-conspirators, I will be deemed to be committing unlawful acts; The force used against me through legal coercion, the fear of injury, physical restraint, is not designed and is not intended to hold me to involuntary servitude, a slave to INTERNAL REVENUE SERVICE; and that same is not a violation of the law; There is no evidence anywhere that my beliefs as based on facts in public record, or that my beliefs herein are not true, correct, with complete verification by and through the State of Oregon Constitution.

20. I do not believe such inducement is based on any authority. I believe the inducement is in fact a fraud, a lie intended to place me in bonded peonage to private law and commercial systems, for which certain actors receive benefits of such slavery.

21. The funds representing my labor, sweat equity, taken by INTERNAL REVENUE SERVICE under fraudulent process, when identified as received by INTERNAL REVENUE SERVICE, are used to back FEDERAL RESERVE private money system which establishes my contractual right to REIMBURSEMENT in any claim for return of sweat equity.

2. United States vs Kozminski, 488 US 931 (1988), NO 86-2000, decided June 29, 1988. "Held for purposes of criminal prosecution under §241 or §1584, the term, "involuntary servitude" necessarily means a condition of servitude in which the victim is forced to work for defendant (IRS) by use or threat of physical restraint or physical injury or by use or threat of coercion through the law or the legal process. This definition encompasses cases in which the defendant holds the victim (me) in servitude by placing him or her in such fear of physical restraint or injury or legal coercion".

22. I, Caleb Paul Skinner, am now held as involuntary servant, a slave, under false representations of material fact made with knowledge of its falsity, with reckless abandon, with no reasonable grounds for those holding me bound against my will to believe such falsities, upon which I have previously relied to my injury under concealment of deceptive trade practices, acts conveying my property, labor, of any nature or kind, the premier equity position, intended to defraud me, the CREDITOR, by hindering, delaying REIMBURSEMENT and recoupment of values attached to my equities taken and used by FEDERAL RESERVE to fund its private money systems; and that,

23. I, Caleb Paul Skinner, have been made BANKRUPT, INSOLVENT under PL 88-243, 77 stat 630, 1-201 (24) By all Executive Orders; 2040 March 9, 1933, 2039 March 6, 1933, House Joint Resolution 192 June 5, 1933; et seq. which suspended Caleb Paul Skinner's legal and political right to pay, extinguish my debts with lawful public money system funds set by law constructing any and all government entities or instrumentalities. I had no knowledge until recently that this peril of Bankruptcy, insolvency, could act upon me as if I were an involuntary servant wherein I could be forced to perform services in discharge of debt due to inability to pay. The inability to pay operated through the legal process without knowledge that such use of discharge could make me a slave to private money system operated by FEDERAL RESERVE and UNITED STATES TREASURY under War Powers Rules, is now known to me, and that,

24. Deceptive trade and legal process wherein my labor, sweat equity is taken by collection under coercion and force with threat intended to create fear that I will be harmed, injured, demanding my equities be returned, results in involuntary servitude, peonage to such enforcement systems; and that,

25. FEDERAL RESERVE operates as the ultimate Buyer of my equities used to support its private money systems, wherein purchase or use of my equities by any party constructs the contract and contractual right against the FEDERAL RESERVE in all of its instrumentalities and interlocking directorates for REIMBURSEMENT of value taken in current funds upon demand; and that,

26. I, Caleb Paul Skinner, rely upon the very powers organizing the FEDERAL RESERVE, governments and commercial engagements inclusive for enforcement of my contractual rights, the absolute obligations, as securities of the United States mandatory without excuse of any kind by FEDERAL RESERVE; and that,

27. Caleb Paul Skinner holding rights reserved, is supported by laws of International Commerce administered by the World Court of Justice before which my complaints of DISHONOR IN COMMERCE are enforceable under audit upon any and all equities related to my labor, wherever situated under any transfer instrument of any kind; and that,

28. I, Caleb Paul Skinner, declare as founded upon notorious public record authorities that FAILURE TO REIMBURSE UPON DEMAND UNDER USE OF MY EQUITIES IS INVOLUNTARY SERVITUDE TO THE PRIVATE MONEY SYSTEM OWNED AND OPERATED BY FEDERAL RESERVE SYSTEM, TO EACH AND EVERY OF ITS BENEFICIARIES OF ANY NATURE UNDER ANY KIND OF CONTRACT OR AGREEMENT WHATSOEVER, REAL OR ASSUMED.

As done this 5th day of March in the year 2011 under penalty of perjury under the laws of the United States of America 28 USC 1746(1).

RE: **CANCELLATION OF DEBT
DEMAND FOR PAMENT**

Enclosures:

- 1096 Forms
- 1099C Forms
- 1099A Forms
- AFFIDAVIT statement of exemption for restitution

Dear Mr. Wolin:

YOU WILL; find enclosed herewith as fully incorporated documents listed above which cancel any and all debt claims by The United States Federal Corporation and FEDERAL RESERVE SYSTEM.

This cancellation covers every claim upon my performance associated with the current monetary system operated as a commercial involuntary servitude operation.

I am attempting to correct any mistakes and request your assistance.

I have never been properly noticed of all relevant material facts relating to monetary systems use of my premium asset, my labor.

I am not public property and there is no record of process anywhere where I have been deemed public property.

I believe I have been held as a slave by operation of sham legal process enforced under threat, duress, coercion, on undisclosed authorities.

There is no trustee over my rights and political standing as certified by The State of Oregon Constitution 1859 administrative forum.

YOU WILL process my cancellation of debt 1099C form and notice all appropriate agencies.

YOU WILL process my acquisition on funds stolen under slavery operations under the 1099A form.

Failure to act or show me the authorities on which you rely to not act as directed will mean in all contexts you are conspiring with others to hold me to slavery for your own private gain and benefit.

As beneficiary of the original public trust, the political body the State of Oregon which is superior as constructor of The United States, this letter is in the nature of an ORDER a demand for performance on promises issued, in open, notorious public records.

I will await notice of action on your part as well as related agencies for twenty six (26) days before filing International notice and collection documents in accord with national and international laws and regulations in commerce and appropriate jurisdictions.

Done this 5th day of March, 2011.
